Q. Number of years in Business:

A. Vic Van Isle Construction Ltd. Has been in business for 27 years and was founded in 1983

Q. Does your organization have locations other than Revelstoke?

A. We have a branch office in Kelowna

Q. What does “*Vic Van Isle Construction Ltd*” produce?”

VVI Construction Ltd. are general contractors and builders delivering quality and client satisfaction with competence and experience to commercial industrial institutional and residential clients. Our Equipment division supplies heavy equipment rentals such as self erect tower cranes, man lifts, rough terrain forklifts, scissor lifts, mobile tower cranes, skid steers, and small power tools. In addition our machine shop supplies metal pre prefabrication services as needed.

Lortap Enterprises Ltd. are the largest manufacturer of custom casework and millwork in the interior of BC. We can provide all architectural woodwork in the disciplines of Finished Carpentry, Laminated Plastic, Architectural Woodwork, and Pre-Manufactured Casework.

Glacier Building Supply Ltd. RONA is a full-fledged building supply store for contractors and do-it-yourself consumers. We are adept at ordering and shipping purchases to and from a wide geographic area and as a result we can offer the best from any of those sources to customers within a 100 mile radius of Revelstoke.
